

Portable Heater Head of Induction Heating Machine

Hengxin Science and Technology Limited

Hengxin is experienced in Induction Heating Machine and Induction Heating Power Supply, induction heating equipments can be used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering induction melting and induction surface treatment applications
<http://www.hengxinkeji.com>

This is a kind of custom-buid Portable Heater Head of Induction Heating Machine, you can use it to heat surface of metal workpiece or inner surface of special shape of workpiece.
